EXPLANATORY NOTE

This document can only be reproduced in full ; it only concerns the submitted sample.
 Results have been obtained and reported in accordance with our general sales conditions available on request.
 When declaring compliance or non-compliance, the uncertainty associated with the result has been added or subtracted in order to obtain a result that can be compared to regulatory limits or specifications. The uncertainty has not been taken into account for standards that already include measurement uncertainty.
 The tests are identified by a five-digit code, their description is available on request.

The tests identified by the two letters code VA are performed in laboratory Eurofins Cervac Sud (Bouc Bel Air).
